

# CONCENTRATED TURF MARKING

<b>CODE:</b>	<b>TTM</b>
<b>DESCRIPTION:</b>	Concentrated Turf Marking Paint is a concentrated, high covering paint specially formulated for the marking of grass playing fields. May also be used for the painting of logos on fields.
<b>PRODUCT BENEFITS:</b>	Non-toxic and environmentally friendly. Easy application. Clean up with water.
<b>SURFACE PREPARATION:</b>	No major preparation necessary except general housekeeping. Fields to be painted must be dry. Dilute as necessary and apply using marking applicator.
<b>PRECAUTIONS:</b>	Do not risk commencing a job if rain is expected. Dilute before using as applying in concentrated form may hold out longer than required and damage turf. Wash away spillages immediately with water.
<b>APPLICATION:</b>	Stir thoroughly with flat paddle before use. Dilute up to 1 part paint with 10-12 parts water for new line marking. Dilute up to 1 part paint with 16-20 parts water for remarking. Dilute to requirement for other works like logo markings. Clean up with water.
<b>TECHNICAL DATA:</b>	
Type:	Acrylic copolymer.
SG:	1.76 - 1.78
Drying Time: (T)	10 minutes
@ 25°C (H):	30 minutes
Recoat:	2 hours
Viscosity:	75 - 85 KU
Spread Rate:	Dependant on dilution and application.
Flashpoint:	Non-flammable
Colour Range:	White
Pack Size:	10L
Health and Safety:	Refer to Material Safety Data Sheet
